

## Change the World – April 24, 2010

On April 24-25, United Methodists will participate in Change the World, a movement to connect church members and friends across the world in service on one weekend to make a difference locally and globally. If you're looking to make a difference locally, the Erie United Methodist Alliance has opportunities for service on Saturday, April 24. Our ministries are giving hope and help to people living in poverty and homelessness. Here are some opportunities for service at our sites as well as several projects that you can do at your church that can help us. To reserve a project, please contact Lee Ann 814-456-8073 or email her at [leeanna@euma-erie.org](mailto:leeanna@euma-erie.org). If you have any questions or another idea for a project we would encourage you to contact Cheryl at 814-456-8073 or [cheryld@euma-erie.org](mailto:cheryld@euma-erie.org). Take a look at our website at [www.euma-erie.org](http://www.euma-erie.org) to learn more about our ministries and keep updated on our projects. Together we can "Change the World" for the families and individuals who need the services of our ministries.
